WELCOME TO THE 3RD EDITION OF SAUDI WOOD EXPO

Welcome to the 3rd edition of **Saudi Wood Expo**.

As Saudi Arabia's **construction and fit-out sectors** continue to expand, the need for reliable supply chains, advanced manufacturing capabilities and high-quality materials is becoming increasingly important. **Saudi Wood Expo** brings together the companies, products and expertise that support this growth, creating a dedicated marketplace for business, sourcing and industry exchange.

Over the coming days, you will have the opportunity to discover new products and technologies, **connect with suppliers from over 50 countries** and gain insights into the trends influencing the wood and woodworking sector. Whether you are specifying materials, managing procurement, developing projects, or seeking new commercial partnerships, the expo provides a valuable platform to support your objectives.

The conversations and connections made here will contribute to the continued development of the industry and strengthen Saudi Arabia's position as a leading market in the region.

Thank you for joining us. The team and I wish you success during your visit at **Saudi Wood Expo 2026**.

SOLUTIONS POWERING SAUDI INDUSTRIAL GROWTH

Saudi Industrial Expo highlights the solutions supporting Saudi Arabia's industrial growth, bringing together the equipment, technologies and expertise required to strengthen manufacturing capabilities and meet the demands of a rapidly evolving industrial landscape.

MACHINERY EQUIPMENT

From production machinery and fabrication systems to material handling and processing equipment, this sector showcases the technologies manufacturers rely on to optimise workflows, improve output quality and enhance operational performance. Visitors can explore solutions designed to support efficient production, reduce downtime and help industrial facilities meet increasing demand.

WIRE & COILING

Covering wire, cable and coiling solutions used across manufacturing, construction, electrical systems and industrial applications, this sector highlights essential products that support modern production and infrastructure requirements. Visitors can discover components and materials engineered for reliability, durability and performance across a wide range of industrial environments.

IN CONVERSATION WITH UNICOATE في حوار مع UNICOATE

What makes Unicoate stand out from its industry competitors?

ما الذي يميز شركة Unicoate عن منافسيها في القطاع؟

Unicoate is a comprehensive coatings manufacturer offering a diversified portfolio for multiple industries from one source.

Our product range includes wood coatings, industrial and protective coatings, epoxy flooring systems, automotive refinishes, as well as a complete range of thinners and solvents.

We combine competitive quality with the flexibility and responsiveness of a regional manufacturer. In addition to supplying products, we work closely with our customers through technical support, product guidance and solutions tailored to different applications and production requirements.

تتميز Unicoate بكونها شركة متخصصة في تصنيع حلول الطلاء، حيث تقدم مجموعة متنوعة ومتكاملة من المنتجات التي تخدم قطاعات متعددة من مصدر واحد.

تشمل محفظة منتجاتنا طلاءات الأخشاب، والطلاءات الصناعية والواقية، وأنظمة الأرضيات الإيبوكسية، ودهانات إصلاح وتجديد السيارات، بالإضافة إلى مجموعة متكاملة من المخففات والمذيبات.

ونجمع بين الجودة التنافسية والمرونة وسرعة الاستجابة التي يتميز بها المصنع الإقليمي. ولا يقتصر دورنا على توريد المنتجات فحسب، بل نعمل بشكل وثيق مع عملائنا من خلال الدعم الفني، والبرشاد حول المنتجات، وتقديم حلول مصممة لتلبية مختلف التطبيقات ومتطلبات الإنتاج.

What key products, solutions or technologies are you showing at this edition of the Expo?

ما هي أبرز المنتجات أو الحلول أو التقنيات التي تستعرضونها في هذه النسخة من المعرض؟

At Saudi Industrial Expo, we are presenting Unicoate's comprehensive range of coating solutions across our major product categories.

These include wood coating systems such as NC, PU and Acrylic coatings, stains, sealers, lacquers and topcoats, as well as industrial and protective coatings for steel and metal applications, epoxy flooring systems, automotive refinish products, and a complete range of thinners and solvents.

We are also highlighting advanced technologies within our portfolio, including exterior water-based wood coating systems and UV-curable solutions.

في Saudi Industrial Expo، نستعرض مجموعة Unicoate الشاملة من حلول الطلاء ضمن أبرز فئات منتجاتنا.

وتشمل هذه الحلول أنظمة طلاء الأخشاب، مثل طلاءات NC وPU والأكريليك، والصبغات، ومواد العزل، والكر، والطبقات النهائية، إلى جانب الطلاءات الصناعية والواقية لتطبيقات الحديد والمعادن، وأنظمة الأرضيات الإيبوكسية، ومنتجات دهانات إصلاح وتجديد السيارات، ومجموعة متكاملة من المخففات والمذيبات.

كما نسلط الضوء على التقنيات المتقدمة ضمن محفظتنا، بما في ذلك أنظمة طلاء الأخشاب الخارجية القائمة على الماء والحلول القابلة للمعالجة بالأشعة فوق البنفسجية (UV).

Saudi Arabia is a strategic market for Unicoate and an important part of our regional growth plans.

تعد المملكة العربية السعودية سوقاً استراتيجياً لشركة Unicoate، وجزءاً مهماً من خططنا للنمو والتوسع الإقليمي.
