Saudi Wood Expo reinforced its position as the Kingdom's leading wood industry event

The 3rd edition of **Saudi Wood Expo**, held from **30 August – 1 September 2026 at Riyadh Front Exhibition & Conference Center**, brought the wood and woodworking industry together for three days of sourcing, business connections and new opportunities.The success of the edition was further recognized at the Saudi Event Awards, where **Saudi Wood Expo was named Best Exhibition of the Year – Less Than 10,000 sqm**.

The event brought together **architects, interior designers, contractors, manufacturers and buyers** from across the wood and woodworking value chain. Visitors attended with upcoming projects in mind to explore new products, compare solutions and connect with suppliers to support their sourcing and specification requirements.

Co-located with Big 5 Construct Saudi, the Kingdom's largest construction event, along with Saudi Industrial Expo, visitors had access to a broader range of solutions and suppliers, creating opportunities for strategic partnerships, cross-industry collaboration, new business opportunities and professional networking.

Exhibitor

Saudi Wood Expo gave us the opportunity to strengthen our presence in the market, meet new people and connect with both local and international companies. The show also opened opportunities for us beyond Saudi Arabia, including potential export business and new collaborations.

Ahmed Al-Mansour
External Sales Manager,
TAJCO – Saudi Wooden Industries
Exhibitor

Saudi Wood Expo brings together a focused audience for the wood industry, making it highly relevant to our business and products. We saw strong attendance, a great atmosphere and valuable interest in the sector, making it one of the standout specialized wood exhibitions for us.

Timber Design Trail put innovation in the spotlight

Timber Design Trail highlighted exhibitors leading the way in innovative wood solutions. By drawing attendees to carefully selected stands, the trail helped participating companies stand out, generate quality conversations and strengthen brand exposure throughout the event.

Saudi Wood Expo gives us the opportunity to promote sustainability within our sector and meet the people behind projects in Saudi Arabia. There is real curiosity around what we're doing and openness to learning about new sustainable solutions.

Sara Farah
Director, **DesertBoard**
